WORK EXPERIENCE

Fiber Customer Support Analyst

Verizon

09/2014 - Present

Albany, NY

This job helped teach me valuable troubleshooting, problem solving, and customer service skills.

Achievements/Tasks

- Provide technical service for fiber optic phone, internet and TV services.
- Worked as an internal help desk agent to provide senior support to other agents.
- Providing training for newly hired agents or agents returning from a long leave.
- Was chosen to complete special projects including training classes and presentations.

SOFT SKILLS

Quick at Learning

Excelling in learning new skills quickly and efficiently has always been a strong suit of mine.

Working in a Team

Playing sports throughout school such as soccer and basketball taught me the importance of working together in a team.

Problem Solving

Trouble-shooting is something I've been doing my whole life, and has helping me become a great problem solver.
